Your Friend in Philanthropy

For more than 30 years, Community Shares has connected Coloradans to the charities and causes they care about most. Our Guiding Principles of Choice in Giving, Local Significance, Membership Diversity, and Financial Clarity continue to drive us in managing effective and inclusive workplace giving campaigns.

Member Excellence

We believe in local nonprofit organizations to build a more vital and vibrant Colorado. Community Shares supports our member nonprofits by annually reviewing and certifying them for participation in workplace giving campaigns. Community Shares' Member Excellence Standards ensure that donors, like you, can trust that your donation continues to support excellent and innovative nonprofit organizations.

Your Paycheck Contribution

Community Shares works directly with your workplace to ensure that your gift reaches the nonprofit organizations you choose. Paycheck contribution withholdings from your payroll department are received throughout the year.

At Community Shares, all gifts are welcome and all designations are honored with no minimum donation amount. We serve as the proud partner of all people who are ready and willing to work together to make a difference.

We've expanded our services through CSR Solutions of Colorado, a collaborative partnership between Community Shares and Spark the Change Colorado.

Transparency and Trust

Nothing is more important than your trust. Community Shares is committed to best practices in workplace giving campaigns and managing all donations with financial clarity. Through a cost-share model with our member nonprofits, Community Shares retains a campaign management fee on our annual net campaign total of approximately 10%. Our member nonprofits are aware of this fee and recognize it as a low cost, highly effective opportunity to reach new audiences and donors.

Donor Choice

Community Shares is committed to choice in giving. If you don't see the nonprofit you are looking for, you are welcome to write-in any 501(c)(3) nonprofit organization of your choice. We retain a 15% management fee on all write-in designations. Organizations are made aware of this fee at the time of pledge notification.

Charitable Tax Deductions

If you choose to itemize your deductions, IRS reporting laws require you to provide:

1. A copy of your pledge form.
2. A copy of your last pay stub of the year showing the total amount withheld as a charitable contribution.
